

Fees for Ladybirds Nursery

Effective from September 2023

All children are eligible for 15 hrs free funding. Some parents may be eligible for 30 hrs free funding with a government code which can be applied for via the Gov.UK website.

If you want extra sessions above your 15 hours free funding hours, the following costs would apply. This is invoiced separately on a monthly basis.

Morning session (9-00am-12.00pm) £15.60

Afternoon session (12.00pm-3.00pm) £15.60

Daily rates (9.00am- 3.00pm) £31.20

School Lunch £2.47

The school lunch menu is available on our website and if they are staying all day, children are asked daily what they would like for lunch. Vegetarian options and Jacket Potatoes are available daily along with Pick'n'mix selection of sandwiches or rolls with fruit/veg crudites and either a biscuit or muffin.

Parents of children only doing afternoon sessions can call the school office by 9.30am to book a lunch for that day.
