## FEDERATION NEWSLETTER

ISSUE NUMBER 14  
September 2024

### Welcome Back!

Welcome back to a new school year at Moorlands and Peterhouse - The Ark Federation. It has been lovely to see so many smiling faces return to school - everyone is looking very grown up and smart in their new uniforms.

We have lots that we want to achieve this year. Remember that we will keep you updated in two ways - this monthly newsletter and via our school Facebook pages.

### Moorlands Reminders

#### Uniform

Please remember to name all of your uniform (including PE kits). It would be a real shame to lose them so early in the term.

#### Parking

Please park considerately outside the school - remember that the gates must be left clear at all times.

No cars should be coming into the grounds unless you have agreed this with the office.

#### Clubs

After school and lunchtime clubs are being sent out via the Arbor app - please keep your eyes peeled for opportunities for your child. New clubs will be issued every half term.

#### Dates

A calendar of dates will be coming out at the start of next week with all of the dates for the whole year on it. Hopefully this will help you to plan for the year ahead and make attending school events a little easier.

#### Friends of Moorlands

We have a wonderful Friends association at Moorlands. If you are interested in joining them, please speak to the front office.

#### Star of the Week Assemblies

If your child is chosen as Star of the Week, you will be invited to a special assembly on a Friday morning. We hope you enjoy the chance to see your child being celebrated by the school community.

#### Swimming

Swimming starts next Friday for children in Year 4 - please complete the Google form that you have been sent.

## School Dog

Lily will be starting back this week with a slow reintroduction to school life. She will also be restarting her weekly blog and her dog training clubs. She is very excited to see everyone again.

## Family Support

Remember to access the Just One Norfolk website - your one stop shop to all of the support and services available to families in Norfolk. There is information on a wide range of issues - health, special educational needs, local clubs and speech and language to name a few.
